Background

Terms and conditions of the project

**Project INTERREG IVB SUDOE SOE3/P2/E533
Micosylva+**

Budget 1,227,175 euros

Duration: 18 months until 30/04/2014.

**5 Partners (Castille & León, France, Catalonia,
Northern Portugal).**

19 Associate Partners (EU, Switzerland, Canada).

Main objectives

To integrate mycosylvicultural criteria into forestry management

Resource valorization (harvesting + agrofoods + micotourism).

Laws and politics.

Ensure international Micosylva+ cooperation network

Project strategies

Nº stakeholders

Coordination

Steering Committee

Scientific Committee

Working groups for specific tasks

Seminars and joint technical visits.

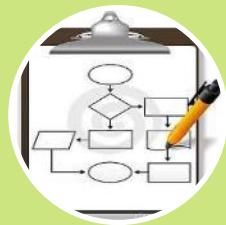

Integration of mycosylviculture in forestry management.

European
Micosylva Forest
Network.
